THE CALL TO WORSHIP

He woke up and rebuked the wind, and said to the sea, "Peace! Be still!" Then the wind ceased, and there was a dead calm.

---Mark 4: 39

THE PRAYER OF CONFESSION:

Gracious God, our sins are too heavy to carry, too real to hide, and too deep to undo. Forgive what our lips tremble to name, what our hearts can no longer bear, and what has become for us a consuming fire of judgment. Set us free from a past that we cannot change; open to us a future in which we can be changed; and grant us grace to grow more and more in Your likeness and image, through Jesus Christ, the light of the world. Amen.

THE SILENT PRAYER OF CONFESSION FOR OUR INDIVIDUAL SIN

THE DECLARATION OF FORGIVENESS

Believe the good news!
God did not send the Son into the world to condemn the world,
but in order that the world might be saved through him. --John 3:17
Friends, believe the good news of the gospel: In Jesus Christ you are forgiven.
ALL: Thanks be to God!

PRAYERS OF THE PEOPLE

AFFIRMATION OF FAITH: THE APOSTLES' CREED
I believe in God the Father Almighty, Maker of heaven and earth,
And in Jesus Christ his only Son our Lord; who was conceived by the Holy Ghost,
born of the Virgin Mary, suffered under Pontius Pilate, was crucified, dead, and buried;
he descended into hell; the third day he rose again from the dead;
he ascended into heaven, and sitteth on the right hand of God the Father Almighty;
from thence he shall come to judge the quick and the dead.
I believe in the Holy Ghost; the holy catholic church; the communion of saints;
the forgiveness of sins; the resurrection of the body; and the life everlasting. Amen.

JUNE MISSION | Living Waters for the World

Goal: \$500

Total received as of 6/13/21: \$125.00

Living Waters for the World (LWW) is a ministry of the Synod of Living Waters of the Presbyterian Church (USA). Believing God intends for all people to have clean water, Living Waters for the World, via enduring relationships, empowers its partners to provide long-lasting clean sustainable water for their communities. LWW water treatment systems and related educational programs address a critical niche of the world water crisis—communities with available but contaminated water. Long-term access to clean water is achieved by empowering mission teams to:

--Form partnerships with institutions

--Provide water treatment systems and related health education materials to their partners

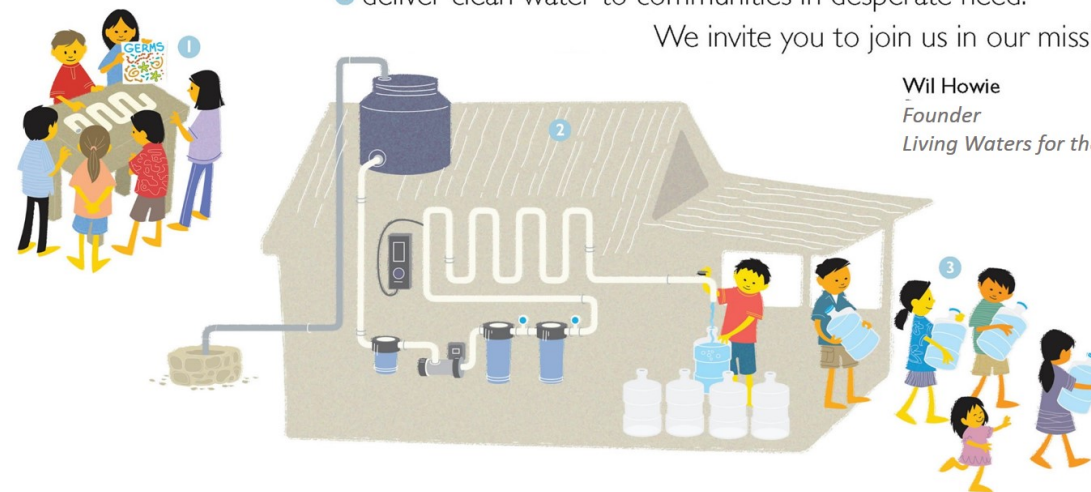

--Train their partners to implement, operate and maintain their water systems and lead ongoing support of its water system partners via a series of regional networks.

Living Waters for the World clean water systems have now been installed at more than 750 sites in 25 nations.

① “We teach people to become trainers to ② build and operate systems that ③ deliver clean water to communities in desperate need.

We invite you to join us in our mission.”
