THE PRAYER OF CONFESSION: Almighty Father, we enter your presence confessing the things we try to conceal from you and the things we try to conceal from others. We confess the heartbreak, worry, and sorrow we have caused that makes it difficult for others to forgive us, the times we have made it easy for others to do wrong, and the harm we have done that makes it hard for us to forgive ourselves. Lord have mercy and forgive us through Christ. Amen.			*AFFIRMATION OF FAITH: THE APOSTLES’ CREED I believe in God the Father Almighty, Maker of heaven and earth, And in Jesus Christ his only Son our Lord; who was conceived by the Holy Ghost, born of the Virgin Mary, suffered under Pontius Pilate, was crucified, dead, and buried; he descended into hell; the third day he rose again from the dead; he ascended into heaven, and sitteth on the right hand of God the Father Almighty; from thence he shall come to judge the quick and the dead. I believe in the Holy Ghost; the holy catholic church; the communion of saints; the forgiveness of sins; the resurrection of the body; and the life everlasting. Amen.	
THE SILENT PRAYER OF CONFESSION FOR OUR INDIVIDUAL SIN			THE OFFERING & THE OFFERTORY	
THE DECLARATION OF FORGIVENESS Do not remember the former things, or consider the things of old. I am about to do a new thing; now it springs forth, do you not perceive it? —Isaiah 43: 18-19			*THE DOXOLOGY

June Mission Focus | Living Waters For the World | Goal \$500

Total Collected as of 6/5/22: \$200.00

Living Waters for the World (LWW) is a ministry of the Synod of Living Waters of the Presbyterian Church (USA). Believing God intends for all people to have clean water, Living Waters for the World, via enduring relationships, empowers its partners to provide long-lasting clean sustainable water for their communities. LWW water treatment systems and related educational programs address a critical niche of the world water crisis-communities with available but contaminated water. Long-term access to clean water is achieved by empowering mission teams to form partnerships with institutions, provide water treatment systems and related health education materials to their partners, train their partners to implement, operate and maintain their water systems, and lead ongoing support of its water system partners via a series of regional networks. Living Waters for the World clean water systems have now been installed at more than 750 sites in 25 nations.
